

Sports Day

Feedback at the end of the Sports Day last week seemed to be very positive with parents saying the afternoon was really well organised and the new format of individual races meant that it was easier to watch and much more fun. Well done to the winning Green team and thanks to everyone who helped get the event organised. Kevin has made a short video of the afternoon which will shortly be on the website.

Kindergarten spaces

With the new kindergarten organisation in September, we now have more spaces available for 2-4 year olds. Heather is organising "transition" mornings over the next two weeks so if you know anyone who would like to join us, please ask them to get in touch asap.

Music Concert Monday 3rd July

We do hope you can join us on Monday for our annual summer music concert. It will be held at Pilgrim Hall starting at 3.30pm. Everyone is welcome to come along whether or not your child is playing – it is a lovely social event and it is great for the whole school community to show their support to the musicians. Please meet us at Pilgrim Hall (using their car park). If parents of children not taking part could collect from school **by 3.15pm** on Monday that would be a great help. No minibus home on this day

New Class Meetings - Tuesday 4th July

Don't forget the class meetings for everyone with a child in the Lower School as well as children going into Year 5 or Year 3 in September. Details were sent by email earlier this week.

Patina Parade - Friday 7th July

The Patina Parade is next Friday!!

The Patina artist has been in school for two days working with the class and lots of parents have been contributing to the "big make" and the individual costumes. The theme for Annan is "Japan" and the children are carrying fans or cats and a huge temple. Thanks again to the parents who have been helping – especially Penny who has worked several days this week.

The Parade is on Friday 7th July at 12.30pm in Lewes Town Centre. Full details in letter attached. No minibus home on this day

Class Photos

Class Photos have now arrived and are ready to collect in the school office. Thanks to Poppy and Karoki for organising such great photos.

End of Year reports

School reports will be given out next week on Tuesday/Wednesday. Each report has a slip for your comments attached which we would like back before the end of term please. If you would like to discuss any aspect of your child's report with their teacher, please ask for a meeting.

Last Day of Term - Wednesday 12th July

Join us for a picnic after school on Wednesday at lunchtime. Bring a blanket and a picnic.

We will start the event with a celebration for the Year 6 leavers on the lawn. Please arrive from 12.15pm ready for a 12.30pm start. Parking available in the playground. *(Please park in school before using the layby so people can tell if car park is full).*

Music exam news

Congratulations to Charlie Jones for not only passing his first Piano exam but getting a Merit! Excellent news – Well done to Charlie for all the hard work and taking the exam, and to Annie for her excellent teaching! We look forward to hearing Charlie play at the music concert on Monday.

Ponies and Pimms at Laughton Lodge–

Laughton Lodge are holding a horse communication demonstration on 1st July offering Pimms, soft drinks and snacks. Tickets £5 for adults, children by donation. Bar opens 3pm, demo 3.30pm. For more info contact Julia Haltrecht.
