

Patina Fundraising

The Elder Class have got their Patina fundraising campaign off to a great start by cooking their own lunch every Friday. They prepare and cook it all independently and everyone brings in £3 to pay for their lunch. So far they have cooked jacket potatoes, apple crumble, corn chowder, ginger cake, fish and chips and flapjack. The Patina is a huge carnival type event held in Lewes every July for the children moving on to secondary school. It costs quite a lot to take part as each school has an artist with them for 3 days building costumes and a 'big make'.

Can solids be stretched?

Willows had great fun in their science lesson finding out if it is possible to 'stretch solids' – they made putty and slime and found out the answer!

More mixing – mini quiches in Oak Trees

The Infant house has smelt amazing this week – Oak Trees have been making their own mini-quiches, cutting up all the vegetables and cooking them.
