Autumn is here..

After a hot and sunny first few weeks, we certainly felt the difference in temperature this week. Undeterred the Oak Tree Class set off on their trip on Thursday to Firle Beacon. They were taken in the school minibus and enjoyed flying the kites they had made. They also certainly found out what the wind feels like up the hill! Benji asked Mark "what makes wind?" – there's something we could all find out the answer to this weekend.

Up, Up and Away on Firle Beacon...

Wind Measuring

How do you measure the wind?

Oscar planned a lesson for Elder class this week where he demonstrated how to make an anemometer and Emma brought in all the materials needed for the class to make their own.

Oscar gave a Powerpoint presentation and they all set to work with amazing results. They used fans to test them and recorded their results.

News from some of 2020's Year 6 leavers!

We have been sent some great photos of some of last year's Elder Class Year 6 leavers who left Annan to go on to secondary school.

We thought you would like to see them.

Mila went to Lewes Old Grammar, Jesse went to Chailey Secondary and Didi went to Bedes. We look forward to seeing some more photos of more first days very soon.

Didi's mum, Lisa, said "Didi has had a great first two days at Bedes. She has made lots of friends and is flying in maths and loving music with Mr Farley. She has been asked to join the girls football team and the Drama Masterclass."
